Computer Usage Conditions and Permission

Students, staff and parents accept that use of the school technology is for legitimate purposes only and all activity is monitored on the network. There is no expectation of privacy while logged into the school's network. Any violation to the computer use policy will be dealt with by the school with appropriate disciplinary consequences. The school board, administration and teachers have the right to refuse the use of a computer to any student.

I understand that any violation of regulations may result in the loss of all access privileges, as well as school disciplinary action. As the parent/guardian, I recognize it is impossible for the school to completely restrict access to all controversial materials and will not hold the district responsible for such materials accessed on the network. I accept full responsibility for supervision if and when my child's use of the computer is not in a school setting.

I **do** hereby give my permission to issue an account for (student name) _____ and certify that the information contained on this form is correct and that I have read and understand the information contained above.
