Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Vestaburg High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact [Kristine Lance](#), Secondary School Principal for assistance.

The [Annual Education Report](#) is available for you to review electronically by visiting the following website [www.vcs-k12.net](http://www.vcs-k12.net) or you may review a copy in the school office.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was **NOT IDENTIFIED** by the Michigan Department of Education as needing Targeted Support and Improvement (TSI), Additional Targeted Support (ATS), or Comprehensive Support and Improvement (CSI). Although we have not been identified as needing support by the MI School Index, we have made some adjustments in student scheduling, assessment, and online courses in our program. The following are key challenges and initiatives we are taking to address our challenges:

- NWEA - Student growth results are below grade level RIT targets in both Mathematics and Reading. However, we are showing growth in Mathematics school year over the past 2 years. This may not appear to be the case in our school index due to the fact we have a record number of new student enrollments and test participation.
- State Assessment - We did not meet the 95% requirement in part due to the transportation barrier most of our students face. This was not without lack of effort on behalf of our school staff. In addition, students and families did not believe this was a requirement due to the previous years testing being optional. This school year, we are preparing early to advise students and families along with providing transportation for the state assessment in the spring. We have also implemented test preparation modules for all students, not just those taking the test.
- At-Risk / Underserved Youth - Our students struggle with engagement, motivation and basic needs. Over half of our students are not on grade level and are credit deficient,

therefore will not graduate with their assigned 4-year cohort. This is problematic due to the computation of the MI School Index's graduation rate.

State law requires that we also report additional information.

1. Process for Assigning Students: Our school is a public school open to all Michigan residents. Any student in grades 9 through 12 from Michigan can attend our school. Each enrolled student creates a comprehensive Education Development Plan (EDP) to help them achieve their educational goals.
2. Status of School Improvement Plan: Improvement is a continuous process at Vestaburg Community School. Our [school improvement plan](#) is located on the MICIP Platform. It is monitored and updated by the school improvement and leadership teams.
3. Specialized School - VCS doesn't operate any specialized schools.
4. Curriculum - Our school utilizes Edgenuity's core curriculum, aligned with the standards required under the State of Michigan's school law, and which is available on Edgenuity's website at: [2025 Michigan Edgenuity Course List](#). [VCS Alt Ed Course Guide](#)
5. Assessment - [2024-25 VCS Assessment Plan](#)
6. Parent Conference Attendance Data - We did not have formal parent conferences in the 2023-24 school year.
7. Advanced course work participation data: Dual Enrollment, Early College, Advanced Placement (AP) / International Baccalaureate (IB), and College Equivalent Classes - We did not have students participating in these programs during the 2023-24 school year.

Our Vestaburg Alternative Program is a great option for students who want flexibility with schedules, have the need to re-engage with their education, or simply want a different option of the brick and mortar environment. We offer a complete array of services for all students that are with us. Our goal is to see all of our students succeed, not only to graduation, but into adulthood doing what they want for their future being productive members of our society.

Sincerely,

*Kristine Lance*
